

# Your Child Deserves a Dynamic Middle School Experience!

*It's a time of change & choices...  
when these students*

- Shape their core values, clearly defining their characters with peer influence
- Develop logical reasoning and abstract thinking, becoming independent learners

## WHAT PARENTS OF STUDENTS WHO JOINED US IN MIDDLE SCHOOL HAVE TO SAY

"My daughter was nervous about making new friends and she struggled with math. IMMAC emphasizes both the importance of academics as well as being a kid. The learning environment here is a lot of fun and has helped her overcome her shyness, become more confident and now she loves math!"

--5<sup>th</sup> grade parent

"Words cannot express our deepest gratitude for our son's experience at IMMAC and the dedication of his teachers."
